CHAIM GOLDMAN

Connecting the Pikes Peak region with Israel, and the Modern Church to its Ancient Roots

Chaim Goldman is a Messianic Jew (a Jewish Believer in Y'shua/Jesus) and a dual citizen of the United States and Israel. Born and raised on the U.S. East Coast, he lived in Israel for nine years, and has resided in the Pikes Peak region since 2018.

Chaim holds a *magna cum laude* degree in Broadcasting and Film from Boston University's College of Communication, and his 40-year professional career has been an eclectic mix of television and radio production, marketing, journalism, public speaking, and ministry. He is presently an On-Air Host and coordinator of Special Projects at *Salem Media Group's* three radio stations in Colorado Springs, and is the Executive Producer and Host of "The Peak" news-talk daily radio program which launched in January 2024 broadcasting on AM 1460/FM 101.1 The Answer. Chaim is also the Director of both *Repairing the Breach Ministries* and *Church Voter Guides*.

In 2002, Chaim was almost murdered by the first female suicide bomber of the second Intifada when she, abusing her authority as a Palestinian nurse, smuggled a 10kg suitcase bomb into Israel in a Red Crescent ambulance and targeted a family shoe store in downtown Jerusalem. This has given him a very personal perspective on terrorism and how we should respond to it as Believers, which is extremely relevant *for such a time as this*.

Married for 22 years, Chaim and Kim Goldman parent six children (five of whom were born in Israel) and recently celebrated the birth of their first grandchild. They reside in El Paso County, Colorado, and attend The Road @ Chapel Hills where Chaim serves in their Public Policy ministry and co-leads a yearly Passover celebration with Senior Pastor Steve Holt. The Goldmans also host and instruct an Hebraic Roots fellowship.

Chaim is a dynamic storyteller and passionate speaker on many Kingdom-focused topics, especially the Hebraic roots of the Christian faith. At this time, he is specifically seeking opportunities to share about the current situation in Israel and the rise of antisemitism in the United States, including what it means for the local church in the Pikes Peak region. The solution to Islamic Terrorism and all evil in the world is a Kingdom of God revolution where hearts are transformed and souls redeemed by the blood of the Lamb, Messiah Y'shua!

He is available to speak on Sundays and weekdays, and a love offering and/or honorarium is greatly appreciated. *(All proceeds support the Repairing the Breach ministry work of the Goldman family.)*
